

Encouragement for the Journey

The song of the day: Personal by Neville Peter

As we look at moments where there is so much destruction and loss around us like what is in the news daily and even the good in our life, we must acknowledge that God is our source for All things. It is a personal thing for us to acknowledge and seek God for wisdom, understanding, peace, guidance , reassurance, love, hope and healing... there is so much more..

Individual protection and provision
Deliverance and transformation
Prosperity in the face of grave adversity

JER 29:11

Prayer: Lord thank you for laying out instructions for us throughout your word, to strengthen us in our prayer life that we will walk in confidence that you are able to keep us in perfect peace, that you have caused us to be a Godly influence in others life, that we will be able to prosper in the face of otherwise grave adversity, but instead you have been a strong tower that we can run into that has brought deliverance and transformation into our hearts, mind and spirit, that we are able to walk in the protection of your Holy spirit because we can discern good and evil, and you have given us supernatural provisions to help us to overcome every situation in Jesus name.
